Israel-Palestine

Beyond the Headlines

by media critic Alison Weir

"Ms. Weir presents a powerful, well documented view of the Middle East today. She is intelligent, careful, and critical. American policy makers would benefit greatly from hearing her first-hand observations and attempting to answer the questions she poses. This is an intellectual, thought-provoking, and worthwhile presentation."

- Tom Campbell, US Congressman (R-CA, '89-'93, '95-'01)
